

## Mindmarker Whitelisting Process

Date:	
Reinforcement Program Title:	
Prepared by:	

Mindmarker relies heavily on emails reaching your participants. Therefore we strongly advise company-wide whitelisting of the Mindmarker domain. Please contact your email administrator or tech department and provide them with the following information:

Domain	Mindmarker.com
IP address (CIDR range)	<a href="#">54.165.161.142/32</a>
Email address used	<a href="mailto:noreply@mindmarker.com">noreply@mindmarker.com</a>

### Per Course

“FROM” value	<company name>
Invitation “SUBJECT” value	Invitation for <Training name> of <Company name>
Invitation reminder “SUBJECT” value	<Company name> has signed you up to reinforce your training
Mindmarker notification “SUBJECT” value	New Mindmarker for <Training name> of <Company name>
Mindmarker reminder “SUBJECT” value	Don’t fall behind on your Mindmarkers from <Company name>
Existing participant invitation “SUBJECT” value	<Company name> has signed you up to reinforce your training
Password forgotten “SUBJECT” value	Reset your password for Mindmarker

For any other whitelisting-related questions contact us at [support@mindmarker.com](mailto:support@mindmarker.com).
